This calendar has been put together voluntarily by two mums in "spare time" between the work/family juggle.

There may well be some errors - be gentle with us! If in doubt, check before you travel...

We've only included what we've come across so far. If you run or know of an event or activity which could be included in future weeks, please send us a message.

We can't wait to see you when our sessions start again in September. You can check the timetable and book your space [here](#)
